Vain Vixen's Vee

A vain but beautiful girl gets a lesson in pussy-lapping and demonstrates her own talents

She was so vain... but then, with her looks, she was entitled to be. She pulled her mirror out of her beachbag several times, checking her makeup, her hair...was everything just so? What about her tan? She visibly admired the deep bronze color, checking her shoulder, her boobs (were her nipples poking out of her skimpy, barely-there swimsuit?), her overall appearance. And she frequently looked over at the hunk seated next to her, though I had the feeling she was less interested in his good looks—and they were extreme good looks—than in whether he was admiring her looks.

I didn't recognize her...in a subdivision of 200 homes, you can't know all your neighbors, and this was the first day this summer that I'd been able to get down to the community pool. If they'd moved in since last summer, I'd've had little opportunity to get to know her. Obviously I hadn't—If I'd met her before, I would have remembered her. Such striking beauty would not slip my mind.

She was a honey blonde, with long, silky hair that turned under, and with cat-green eyes that seemed to reflect herself. Her cute, snub nose was a shade too small, though that's hardly a flaw!

And in she came,
trailing a cloud of
perfume, looking all
proud of herself.

And her figure...well, she must have been about 5'7" with what I took to be C-cup boobs, the tiniest waist, and hips that were voluptuous without containing an inch of extraneous fat.

The dude with her—no wedding ring on either him or her—was probably a live-in boyfriend, I guessed. She looked far too proprietary about him for him to have been anything casual. She dropped her hand on his arm, his thigh, his shoulder. She asked him to rub sunscreen all over that smooth, satiny skin. She put her head on his shoulder. She loudly proclaimed to the world: mine.

But I had no interest in snatching him from her. It was her I was interested in. Which is why it was funny, the way things went down.

You see, I thought I was being covert in staring at her. I thought I was being discreet in my longing glances. I thought she wouldn't notice the way my gaze kept wandering to her, the way my attention was drawn to her, the way I even began to undulate a little in the poolside chaise before I caught myself and restrained my body from its fuck-frenzied motions.

But no. Louise (though I didn't know her name at the time) was fully aware of my attention.

But she thought it was her boyfriend I was cow-eyed over.

She started a scene. A public spectacle. She accused me—in quite a loud voice—of trying to poach on her S.O. She accused me of being a man-stealer, a brazen hussy (I didn't think that term was still in use!), a vixen, a bitch.

Now, I'm not any of those things, but I am an out bisexual. And I am brazen, even though I'd hardly classify myself as a hussy. So when she let fly with all these accusations, I turned to her and, in a voice only she could hear, I said, "No. I'm not interested at all in your boyfriend. I was staring at you. Are you interested?"

The neighbors who were at

the pool had all heard her rantings, though they couldn't hear my response. I'm sure they wondered what I said to her that immediately caused a change in her attitude. The defiant shoulders dropped, but the boobs thrust out farther. The hand on the hips dropped, but the hips jutted forth most provocatively. The whole attitude softened. But Louise was right on edge with her body language. And her verbal language. "Me?"

She sounded surprised for a second—I guess I must have been the first girl to ever come on to her—but a moment later her natural vanity carried her through, and her mouth curled up in what I could describe only as triumph. "Well...." she said. "Hmmm...." she said. "Which unit do you live in? I told her.

"Do you live alone?"

"I have a boyfriend, but he travels a lot on business. He's out on the road now."

"What are you doing later?"

"Making love to you at 7."

I halfway expected her to pull a no-show, but at 7:10 (yes, she had to be late, for a powerplay!) she showed up at my door. I had wine, candlelight, soft jazz, and my negligee-draped body waiting for her. And in she came, trailing a cloud of perfume, looking all proud of herself for having attracted a girl as a lover as well as all those guys and just knowing she was the hottest thing around.

Well, she was...the girl had a reason to be vain...and now I was going to make this hot thing mine. But the first thing I needed to do was make the hot thing hotter. Sexually hotter. Turned on. I served her some wine, told her how gorgeous she looked, then let a hand fall to the back of her neck and began to tickle it. She squirmed—not in discomfort!—and twisted her head toward me.

Impulsively I kissed her full on the lips, and when she didn't squirm away, I let my tongue slip between my lips, between her lips,

It felt as if her
labia were part-
ing on their
own volition

into her mouth, where it played tag-you're-it with her tongue. Her body surged toward mine, pressed against it, trembling with the unexpected hunger I had released. I cupped a firm, meaty boob in one hand, hefted it, squeezed, and began thumbing Louise's nipple. She sighed, stretched, luxuriated...and then did something that caught me completely by surprise.

I stretched my legs out on the couch; Louise was fully on top of me now and fully in command of the situation as she began to ride me, to hump me hungrily with her feverish body. I undulated my hips below her, thrusting up against her, my body just as hungry as hers. My pussy had grown juicy-wet as the heat that suffused me inflamed my vee and started my honey flowing.

Louise slid a hand between our two bodies and boldly grasped my vee, fingering my mound. At first she was hesitant, unsure she was doing it right, but her self-confidence was quick to return, and soon she was stroking my clitty through my nightgown as if she'd been doing this for quite some time.

Our bodies strained against each other; her hand dug into my crotch and stroked my nubbin through my nightgown; her boobs mashed against mine, and her firm nipples drilled into my softer boobs. Her breath was short, urgent, as urgent as her driving motions as she ground her body needfully against mine.

We were each approaching climax, and we weren't even undressed yet. Well, I knew I had more than one good come in me, and I certainly hoped Louise did too. I was gasping, groaning, as I threw my body up against hers, urgently drove my pussy against hers, and against her determined hand. Louise was mewling, nearly crying, grinding hard against me.

Our climax was simultaneous. We didn't plan it that way; it just happened. Gasping and groaning and driving and moaning and

thrusting and twisting against each other, we each came, grabbed at each other, and kissed each other full on the mouth, fully open-mouthed, Louise's tongue stabbing into my mouth as we groaned out our shared ecstasy. She tasted of mints and coffee. But it was her pussy I wanted to taste.

When our climax-racked bodies had subsided into utter limp relaxation, I murmured to Louise, "Why don't you get those clothes off?" With an effort she sat up, then stood up, and slipped out of her clothes, carefully folding them over the back of the sofa as she took each item off. At last she was revealed in her nude glory...and glory is the right word for a body that stunning.

I licked across from her right hip to her left, then down...down...down to her trimmed bush, reddish and plainly clipped, and through the tangle of shortened curls to her slit. It felt as if her labia were parting of their own volition to accommodate my slithering tongue. That tongue was on a mission: Scoop up her pungent pussy-fluids and continue down to her clitty-pearl.

Louise sat back down on the sofa, spreading her legs and propping her feet on the coffee table. I yanked off my nightgown impatiently and dropped to the sofa next to Louise, on my hands and knees. Dipping my head to her bush, I resumed my burrowing toward her clit, which was now exposed to me. I stopped to slurp up some of her pussy-nectar, savoring the sharp, acrid taste, then made contact with her clit for the first time.

Swollen outrageously, that mini-organ was begging for attention, scarlet and plump and all but visibly quivering. I put my tonguetip to her pleasure peak and flicked mercilessly across it. Louise shivered, then began raising her ass up off the sofa as she drove her clit toward my tongue, up into the air...straining...striving...already immeasurably hot.

I pushed my inflamed vee hard against her face, mashing my pelvis against her nose

I licked. I lapped. I scarfed up the flowing pussy-honey and dragged my tongue across the sensitive point. I wagged my tongue back and forth. Grabbing Louise's hips with my hands, I urged her along in her coital movements, helping her hump her ass up and down as she thrust against my demanding, hungry mouth.

I was horny myself. The spicy savor of Louise's slit, the urgency of her movements, the moans that were escaping her mouth, and the sight of that too-perfect body spread out in front of me all worked together to raise my fever, and soon I too was humping in fuck-motions as I lapped at her juicy slit. As she watched my body undulate, Louise gasped, "Let me see you play with yourself."

I lifted one hand from the couch, supporting myself on the other hand and my knees as I put the one hand to my clit and began to frig myself. While my wagging tongue skated across Louise's plump clitty-pearl, my finger jiggled my own swelling clit, feeling it poke totally out of its hood, rubbing the so-sensitive piece of flesh. My juices sluiced down copiously, bathing my hand. On an impulse, I put that hand to Louise's mouth.

I didn't have to tell her what to do. She licked up every drop of my juice from my hand like a starving woman who hadn't had a meal in weeks. Then she sat up, pushed me down, reversed on me, and went down on me in 69 position as I resumed eating her out.

I pushed my inflamed vee hard against her face, mashing my pelvic bone against her nose as she wildly ratcheted her own hips, spiralling up, up, up toward climax. I was dizzied in my need, overcome by her pussy fumes, and totally out of my mind.

"Now!" Louise urged me. "Now! Now! Now!" She was on the edge, and she wanted to orchestrate a simultaneous climax such as we had had before. Well, I was right near

the edge. Without stopping flicking at her clit with my tongue, I concentrated on the way her tongue was dragging across my clit, tensed my thighs, gave a mighty thrust, and screamed as I tumbled over the precipice into climax.

We held each other, face-to-pussy, as each of us exploded into a mighty orgasm. Then we subsided, and Louise squirmed around so we were lips-to-lips again. We kissed each other, each tasting her own juices on the other's lips. "This could get addictive," Louise mused as she languidly rubbed her pussy against mine.

"You haven't even tried it in bed yet," I laughed.

"Well, what are we waiting for?" Louise said, getting up and pulling me by the hand.

"Do you still think I have eyes for your boyfriend?" I teased.

"You'd better not...or for any other girl either!"

"Oh?" I said, putting a hand on one hip and cocking that hip mock-defiantly at Louise. "And what will you do to me?"

She stuck her tongue far out and made an exaggerated lapping motion with it. I wriggled in heat at remembering how that tongue had felt on my clit just a couple of minutes ago. "Want to see my toy collection?" I offered as we headed toward the bedroom.

"Okay, but I think you're my favorite toy," Louise answered.

"Good. Play with me!" I said as we collapsed onto the bed.

And then we were a tangle of arms and legs and mouths and pussies all over again. And as Louise showed me how inventive, how tongue-talented, and how downright horny she was, I thought, she might be stuck up, but she certainly had every right to be. A fabulous face and figure and a wonderful set of talents in bed...I had really lucked into something.

I hope she has no plans to move out of our subdivision any time soon.

IT'S GOOD
TO BE YOUNG.
ESPECIALLY WITH A BUTT LIKE THIS!

SUCH ROMANTIC KISSING AND DILDOING 800-915-4674 MUST BE 18 TO CALL

For every dude who knows he's a stud in the sack—
even though his wife doesn't care

Walk On the Wild Side

Hey, wake up! It's past midnight. Your wife will be mad!"

For an answer, I nestled my head against her soft naked tits. My hand slid between her legs and fingered her slippery, swollen cunt lips. "Oh, Paul! Again?" she moaned as she rolled over on top of me. Our bodies connected naturally. She pushed a nipple into my mouth as her hips pumped my already twice-drained cock.

Not a bad way to spend an evening, especially for a henpecked bookkeeper. My new way of handling my wife's nagging is very satisfying.

I've been married for almost 20 years. She is a good woman, a great mother, but a real pain in the ass.

She treats me like one of our kids. For years I kept my resentment inside like most henpecked husbands, but Cherie changed all that.

Cherie is a bookkeeper who sits at the desk next to mine at work. She has been my office neighbor for over 10 years. Until recently we hardly ever spoke. She is about my age, single and kind of plain Jane. She has a good body, nice legs, but wears no makeup and keeps her hair pinned up in a bun on the back of her head like an old school marm.

Our affair began one morning, after a typical phone call from wifey. My side of the conversation, which Cherie could hear, was mostly, "Yes, hon. Yes, hon."

"Why don't you tell her to go to hell, Paul? Just once," she snapped.

The tone of her voice caught me by surprise. Cherie was usually so calm and unemotional. "What?" I asked.

"You heard me. I said why you don't tell that bitch where to go ... just once. You might like it."

I got up from my desk and walked to the coffee machine. My hands were shaking. Cherie followed me.

"I'm sorry, Paul. I didn't mean to be so sharp, but it gets to me. Your wife is so lucky to have a guy like you. You're so kind, so considerate."

"Thanks, Cherie." I stammered, not knowing what else to say.

"I wish you were mine for one night. I could show you how a man should be treated." She blushed as she spoke. So did I.

"You mean . . .?"

"Yes, Paul. I think you are a real catch. I would prove it to you if you would just let me."

Why not, I thought. Wifey was already mad at me. I thought of an excuse: I could tell her I had to work late. She would be mad. She always is. But there is no double jeopardy. She can't get mad but once.

"How about tonight?" I asked Cherie. Her eyes flashed pleasure. "Come to my apartment, I'll cook you some dinner and show you."

Needless to say, I couldn't concentrate on my work for the rest of the afternoon. At lunch, Cherie let her hair down. I decided she was really quite attractive with the soft brown hair falling over her shoulders. Her green eyes sparkled for the first time since I'd known her.

Boy was my wife mad when I told her I had to work late. I had to stifle a laugh, because I felt like I was getting even

BLAIR-NTS-09

for all the years of misery she had given me. I drove Cherie home that night. She sat next to me, her hand on my leg. My dick was hard, but she seemed not to notice. We talked mostly about work, but I felt lightheaded as the excitement built.

Her skirt rode up above her knees. She made no effort to pull it down. I finally got the courage to put my hand

her in my arms like a baby, her head resting in the crook of my arm. Her tongue delved deep into my mouth. My erection pushed wildly against her heavenly ass. She said, "Please, Paul. Be gentle. I've never ... "

Wait—what? She was a virgin? I couldn't believe my luck. Her breath came in gasps as my hands explored every inch of her body. I asked her to stand up and she did.

on it, just above the knee. It was smooth and warm. She smiled and kissed my neck. I felt like a teenager on a first date.

She lived on the second floor of a modest apartment building. I tingled with excitement as I realized that I was going to her apartment. My eyes feasted on her well-shaped ass as it swayed under her skirt.

"There's beer in the fridge, so help yourself. I've got to go and change."

She left me in the living room. I opened a beer and sat on the sofa to wait. My imagination ran wild. My cock was getting hard, just thinking about the possibility of having sex with someone other than my wife. Sex with her was a once-a-week wham-bam type of deal, if that much. She would lie still and tolerate my pumping—if I had 'behaved' myself all week. Mostly I took myself in hand. I masturbated three or four times a week. I had forgotten there were chicks that actually wanted sex, and enjoyed it.

When she came back into the room, her perfumed scent made me dizzy as she leaned over and kissed my neck. She somehow sensed that my neck is one of my most sensitive spots.

"You want something to eat?" she asked.

Our lips met hungrily. I pulled her into my lap, cradling

Her breath came in gasps as my hands explored every inch of her body. I asked her to stand up and she did.

I unbuttoned her blouse, one button at a time, very slowly, and pulled it from her shoulders. Her eyes were closed and she was breathing rapidly. For the first time in my life I was in complete

control. The feeling was exhilarating.

I unsnapped her bra and let it fall to the floor. My lips were drawn to her large, firm breasts like a magnet. I kissed her tits and she shivered. My dick was the hardest it had ever been. As I sucked on a stiff nipple, my hands moved to her shorts. With her help I pushed them down.

I stepped back to savor the sight of her beautiful body as she stepped out of her shorts. Now there was only a pair of pink silk panties between me and paradise. The pink contrasted beautifully with the milky white of her body.

Next I knelt and pulled her hips to my face. Her panties were cool and soft against my skin, the crotch warm and damp. Her hands caressed the back of my head as she pressed me against her womanhood.

I wanted that moment to last forever. She must have read my mind as she spoke, "Let's don't rush, honey. I want to remember this night... always."

I nodded as my tongue slid up the valley formed by the lips of her pussy through the panties. "I want to eat you, Cherie. I want to lick your pussy till you scream," I groaned.

Her knees shook as she pulled me harder against her quivering panty covered cunt. I pulled the panties aside and flicked my tongue over her swollen clit. She threw her head back, closed her eyes, and screamed. "Yes! More! I'm coming!"

She collapsed on the floor as she forced my hand between her legs. I fingered her hot cunt to three more orgasms. I wanted to take her cherry, but not until she begged me to take it. She calmed down a few minutes later and asked if I was hungry. I told her yes, and she smiled and went to the kitchen.

I followed her. I wasn't much help. I couldn't keep my hands off her ripe body. As she stood at the counter tossing the salad, I stood behind her, my hands caressing her boobs as my hard rod slid up and down the crack of her wiggling ass. She put two steaks in the broiler and then turned to me. Then she knelt and unbuckled my belt and my pants slipped to the floor. My eager pole jumped from the opening in my boxer shorts.

She hovered over my steel-hard dick and pointed it at her hot slot. She then lowered herself gently onto my pole.

She insisted that I eat supper in only my shorts, and I gladly agreed. She put the salad and steaks on the table. Instead of sitting across from me, she straddled my lap. My prick lay in the lips of her steaming pussy.

"I want to feel it against me while we eat," she cooed.

I had to reach around her to cut the meat and feed it to her one bite at a time. We ate, kissed and rubbed our sex organs together for over an hour. She had two orgasms, which she dubbed her dessert.

She hovered over my steel-hard dick and pointed it at her hot slot. She then lowered herself gently onto my pole.

I was inside her tight cunt about an inch until I ran into her cherry. She wrapped her hands tightly around my neck, ground her teeth, and impaled herself to the hilt on my manhood. There was one loud groan and then a sigh.

Pain quickly turned to pleasure as she began pumping up and down on my throbbing organ. I let her come twice before I grabbed her hips and held them as I rammed my sex machine

"Oh, Paul!" she gasped as her mouth engulfed my turgid member. Her lips were magic as he cradled my balls and sucked it like she had been doing it all her life.

"You'd better stop or I'm gonna ..."

"Cum?" she mumbled with my dick deep in her warm, wet mouth. "I want to taste you, Paul. Give me what you've got," she groaned as her tongue circled the swollen head of my throbbing dick. Her plea was maddening. My sperm was boiling in my balls. It raced up the shaft and splashed into her sucking mouth like an erupting volcano. She drank every drop and licked her lips like a satisfied kitten.

deep into her churning snatch. As I felt the cum race from my balls, I stiffened and raised my ass off the chair. Her hips pumped rapidly as I gushed hot jets of love juice into her hungry box.

That was over a year ago. I have sex with Cherie at least twice a week now, but not always at her apartment. Last week I took her into the stairwell at work and gave it to her from behind as she bent over and held up her skirt.

My wife seems to get mad at me more often lately. Maybe I am trying harder; who knows? All I know is that I look forward to her bad moods now. It is my excuse to stay out and get what I need.
